This report follows a **MECE (Mutually Exclusive, Collectively Exhaustive)** approach. We've broken down business insights into **five independent sections**, covering all relevant questions without overlap or omission

Customers — Who is buying, and from where?

Orders — What's being ordered, when, and how frequently?

Employees — Who is managing operations and how?

Products — What products are driving business?

Suppliers — Where do supplies come from and what do they cost?
